Cancer Support Community (CSC) was founded as The Wellness Community-Central Indiana in 1995. Approximately 200 individuals were served during 1995 and that number has increased to nearly 1000 individuals during 2009. Operating from the *Paulsen Family Center*, 5150 W. 71<sup>st</sup> St., Indianapolis, Cancer Support Community provides fee - free, psychological and emotional support, including support groups and stress management programs for individuals and their families affected by cancer. CSC is not an alternative to medical treatment -- it is an integral part of a comprehensive approach to treating cancer.
